Encino Elementary E-Team, Inc. ("E-Team"), the booster organization for Encino Charter Elementary School, is offering a special sponsorship opportunity for local businesses and companies. For a donation of \$500, we will promote your business with a banner in the front of our school and display your logo prominently on our website.

Encino Charter Elementary is a California Distinguished School, based on strong academics and programs, demonstrating exemplary achievements for students. The E-Team supplements funding for critical programs such as a science lab instructor, computer teacher and lab, an art program, a PE teacher, and more! We are responsible for raising over \$200,000 annually, and we rely solely on the support from our community sponsors and school families to provide these programs for the children!

When you support our school, your business will receive unique exposure to **nearly 600 families and community members**. All donations are tax deductible. The cost per one 3 ft X 4 ft banner is \$500. We will take care of the production and placement.
